WHAT IS S.U.C.C.E.S.S

S.U.C.C.E.S.S. is one of the largest social service agencies in Canada. We have been helping people for 50 years, since we were founded in Vancouver in 1973. Our agency has Asian roots and an open heart. Originally, we served new immigrants from China, but today our clients come from more than 150 countries! We provide people with over 300 programs and services to promote the belonging, wellness and independence of people on their Canadian journey.

We help our community in three main ways. We assist people who are new to Canada to adjust to their new life through English classes, advice on finding work, and help settling into a new home, job and school. We have several special programs to help youth, such as our Youth Leadership Millennium project and our A Chance to Choose youth employment training.

We also help people to find safe places to live in Metro Vancouver through our affordable housing program, which runs a thousand homes for families. And we provide quality health care and housing for seniors in our community. To learn more about our agency please visit www.successbc.ca.

WHAT IS S.U.C.C.E.S.S FOUNDATION

S.U.C.C.E.S.S. Foundation is a Canadian charity raising funds for S.U.C.C.E.S.S. programs supporting diverse communities. Visit www.successfoundation.ca to learn more. Your support bridges funding gaps for vital services not fully funded by the government, sustaining existing programs and enabling new initiatives benefiting youth, seniors, women, refugees, and vulnerable community members.

WHAT IS WALK WITH THE DRAGON?

EVENT DATE: JULY 14, 2024

Founded in 1986, the Walk with the Dragon community event has become one of the largest fundraising events in the province of British Columbia. Each year, over a hundred corporate and community teams, plus thousands of individual participants and families, join the event to show their support for S.U.C.C.E.S.S.

This event is led by the longest Dragon in North America! The 100-foot S.U.C.C.E.S.S. dragon is carried by a team of 40 martial artists – including many local youth – who lead our walkers and teams around the route in Stanley Park.

Each year, our event attracts thousands of participants who participate in either a three kilometre walk around Lost Lagoon or a seven kilometre walk around the Stanley Park Seawall.

To kick off the walk, there are speeches from community leaders, group warm up exercises, and then the symbolic Dragon Eye-Dotting Ceremony, which wakes the dragon from slumber.

Following the walk, there is live entertainment, featuring music, dance and martial arts presentations. The event also includes an outdoor fairground with community booths and carnival games, food and activities, prizes and giveaways that are fun for the whole family.
